Preservation of vehicles   Yes   No

Attending events   Yes   No
Throughout the year the museum attends many public events such as vintage vehicle rallies and fire station open days to raise the profile of the museum. Members are always required to man our displays and interact with the public. Vehicle drivers are also needed (with the correct licence class).

Fundraising   Yes   No
As no formal funding is received by the museum we are always looking at fundraising at the events we attend through such ways as tombola's and retail sales. Without such income we would be unable to continue to build and maintain the collections in our care for future generations to appreciate.

Fire Safety education/school visits   Yes   No
A key feature of the museums aims and objectives is to advance education about the dangers of fire through the distribution of fire safety information material and the delivery of fire safety presentations to schools and social groups within the County of Norfolk.
